

IF YOU HAVE A TERRIER, A HUSKY, A SAINT BERNARD, OR ANY FURRY BABY, YOU MUST KNOW THIS.

Cold weather dogs find it very difficult to withstand heat

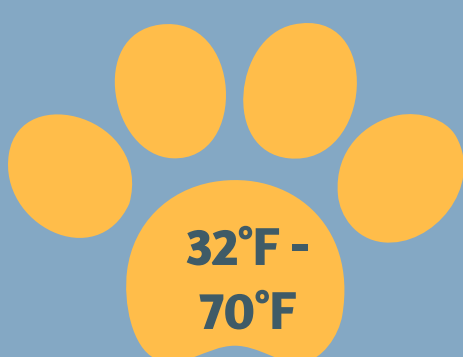

HOW HOT IS TOO HOT?

There is no hard and fast rule about temperature. Dogs cool themselves by panting. But, if the temperature gets extremely hot and humid, panting will not help.

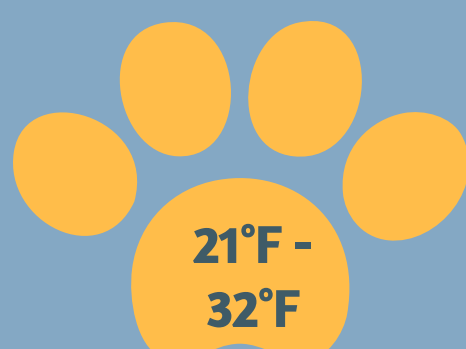

HERE IS A HANDY TEMPERATURE GUIDE

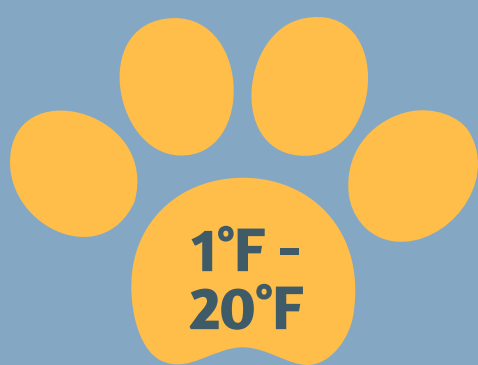

Dogs with thick coat will find it too hot

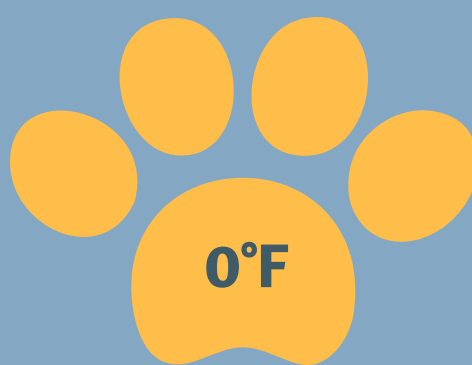

Perfect dog exercise weather

Too cold for small dogs. Endurable for others.

Freezing cold for small dogs

Teacup dogs should remain indoors

SOME DOGS THAT CAN BE IN HOT WEATHER
